The Grampians—A Mountain Torrent. The river Tummel issues from Loch Rannoch, and, at the place shown in the picture, dashes with impetuous vigour over some rocks with grand effect. Near this waterfall is a cave wherein, at the time they were outlaws, a body of Macgregors were massacred.

My dear Dollie, I am glad to hear from you. Began to think something was the matter. Yes, dear, quite convenient for you to come & see us. Come as early as you possibly can. You know we shall be ready for you. Nick of course is coming after his promise, & so when are you all to arrive? Your card is pretty & this is, isn't it. Bertie is better
